

Key benefit

Moisturizes, regenerates and protects

Usage recommendations

Ingredients 100% of natural origin. No allergens. Suits all skin types, even the most sensitive and intolerant skins.

Application

Apply a small amount several times a day.

Format

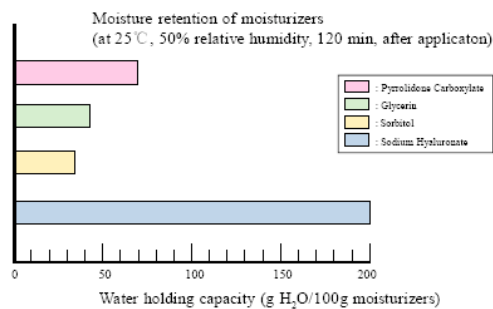

Tube 75ml

Ingredients and benefits

0.05% Sodium hyaluronate

INCI : SODIUM HYALURONATE

- strong moisturizing and film-forming properties
- hyaluronic acid film helps preserve the most important characteristics of youthful, healthy skin, such as suppleness, elasticity and tone

Silymarin phytosome

INCI : SILYBUM MARIANUM EXTRACT and PHOSPHOLIPIDS

- complex of soybean phospholipids and lady's thistle fruits extracts
- presents free-radical scavenging, dermopurifying, skin-protective, soothing and moisturizing activities

Pycnogenol

INCI : PINUS PINASTER BARK EXTRACT

- extracted from the french maritime pine tree
- purported to be a powerful antioxidant and a blood-vessel and collagen strengthener
- particularly interesting for anti-ageing products

Rose hips oil

INCI : ROSA CANINA FRUIT OIL

- allotted regenerative and restructuring properties, thus it helps delay skin ageing
- has softening, moisturizing and film-forming capacities

Natural vitamin E (natural d-alpha-tocopherol)

INCI : TOCOPHEROL

- anti-oxidizing and moisturizing properties
- helps skin glow and tone of tissues
- plays an important role in the prevention of damages due to UVA and UVB radiation

Sodium carboxymethyl betaglucan

INCI : SODIUM CARBOXYMETHYL BETAGLUCAN

- polysaccharide from baker's yeast
- protects against oxidative stress induced by UV rays
- enhances the skin's firmness, reduces the depth of wrinkles
- promotes cell renewal
- strengthens the skin's protective mechanisms and helps restoring the skins' functions

Shea butter

INCI : BUTYROSPERMUM PARKII (SHEA BUTTER)

- has cell regenerative virtues and thus efficiently delays skin ageing
- softening, moisturizing and restructuring
- organically grown

L-Arginine

INCI : ARGININE

- semi-essential amino acid, which is used as a skin conditioning agent
- is a Natural Moisturising Factor (NMF) and helps maintain skin hydration and smoothness
- can be used as a pH adjuster as a substitute to triethanolamine or sodium hydroxide

Swiss glacier water

INCI : AQUA (WATER)

- from the glacier of the Diablerets in the Swiss Pre-Alps
- first frozen many thousands of years ago, it is therefore intrinsically pure
